

NationalLease Review

During the NationalLease Review, our staff will meet with you, reacquaint you with our resources and programs, and discuss your membership benefits with you. While you're welcome anytime, we have blocked out a couple of dates for you to come to our office where we'll have key staff handy and ready to meet with you. This is a thorough NationalLease "review", personalized to you and your company. We will tailor our pre-built agenda to meet your needs, discussing Reciprocal Service, purchasing, National Accounts, billing, our website, and other available services.

Who Should Attend? This review has proven to be a great refresher for existing folks in the business, as well as an excellent introduction to new personnel.

Cost/Expense. This review is offered at NO COST. NationalLease will provide two half-days of information, including lunch and dinner on the first day. Attendees are responsible for their travel and hotel accommodations.
